**WELCOME
RACE FANS
WELCOME**

RACING HAS BEEN A BIG PART OF WHO WE ARE FOR SIXTY YEARS.

O'REILLY AUTO PARTS STARTED IN 1957 as a single-store operation in Springfield, Missouri. The company was founded to help serve the area's growing need for an aftermarket parts alternative to the OE dealer.

FAST FORWARD 60 YEARS. Today, O'Reilly Auto Parts has grown to more than 5,100 stores in 47 states. We have thousands of replacement parts and maintenance items on hand, in stock and ready for installation. We also offer a complete line of auto body tools, paint and supplies, automotive tools and professional quality service equipment.

WE ARE ALSO EXTREMELY ACTIVE in the Motorsports industry. In fact, this year alone we will sponsor over 1,500 events, from local dirt track races to 8 NHRA Partner Tracks, 12 NASCAR Partner Tracks and NASCAR XFINITY Series & Monster Energy NASCAR Cup Series Events. Through Motorsports, we are able to connect with race fans who we know are some of our most loyal and valued customers.

THANK YOU for attending this year's event. Whether you're looking for quality auto parts or quality racing action, there's only one name you need to know - O'Reilly Auto Parts.

WELCOME LETTER

WELCOME TO THE CASTROL GATEWAY DIRT NATIONALS

I would like to take this time to thank you for attending this year's event. The last three years of this event have been unbelievable due to the continuous support from drivers, teams, partners and fans! Without you, none of this would be possible! I strive to continue to work towards ways of improving this event and the overall experience for those in attendance. I am proud to have a strong team of great people that help make this all possible and I can assure you that we put everything we have into making this event what it is. As we go into the dome and under the lights for the 5th year in a row, I hope that your experience here with us is something that you will never forget. It is my goal that everyone inside of this building will experience "MOMENTS" which will last them a lifetime. In 2016, we had a battle for the ages on Friday night and will never forget crotch chop 2.0 from Scott Bloomquist at driver introductions. In 2017, we got to enjoy watching Jason Welshan call out one of the greatest drivers of all time, Scott Bloomquist, and the future of our sport, Bobby Pierce, take victory. In 2018, the addition of midgets took our event to the next level. The three divisions collectively produced an eclectic mix of racing action and motorsports personalities. Welcome to the Castrol Gateway Dirt Nationals presented by O'Reilly Auto Parts.
