WELCOME LETTER

WELCOME TO THE 2022 CASTROL GATEWAY DIRT NATIONALS

Thank you all for the unbelievable amount of support that you all have given to the Castrol Gateway Dirt Nationals since its inception in 2016. Over the years, we have had so many great memories with this event and it makes me extremely proud to be the promoter and founder. It has always been my goal to provide something special that fans and competitors look forward to each and every year. The dome has such a loyal, dedicated fan base and I truly am thankful for all of the fans, competitors and sponsors that support everything we do. I was blown away when we opened registration this year and reached a record number of entries from competitors all across the country. I would expect the racing to be as exciting as it ever has. Again, it is very humbling and exciting to see this event take on the life it has and become what we all know as... #DirtInDecember. I truly hope you have the time of your life this year in St. Louis! Thank you
